Source: Ministry of Finance.

1/ Covers Central Administration and Local Governments, and Public Services Authorities.

2/ Includes consolidated operations for the Budget sector, National Investment Bank (NIB), and Social Insurance Funds (SIF). Data prepared on consolidated basis; excluding financial interrelations between the three bodies.

3/ Overall deficit excluding net acquisition of financial assets.

4/ GDP actuals for FY18 /19 has been revised to reach LE 5322.3 billion instead of LE 5250.9 billion. Meanwhile GDP for FY19/20 was revised to reach LE 5820 billion instead of LE5960.9 billion according to the data published by the Ministry of Planning and Economic Development.

5/ Ministry of finance has published for the first time the general government's performance data for the fiscal year14/15, and that is after auditing the data with the concerned entities that are included within the general government scope.

6/ The increase in grants is mainly due to Capital Grants received from United Arab Emirates (UAE) to finance investments during FY16/17.

7/ Data reflects budget figures in light of Decree Number 85 for the year 2020.

8/ The increase in grants reflects mainly increased grants from other general government units to finance investments.

9/ The increase in other revenues is mainly due to increased receipts from miscellaneous current, and capital revenues, part of it is related to revenues from previous year, and others are from revenues to finance investments.

Source: Ministry of Finance.

1/ Includes Central Administration and Local Governments, and Public Services Authorities.

2/ Based on IMF GFS 2001 (modified to cash basis).

3/ Data reflects budget figures in light of Decree Number 85 for the year 2020.

4/ The decrease in non-tax revenues, came on the back of the decline in the exceptional resources from grants during the year of comparison to reach LE 25.4 billion during FY14/15, compared to LE 95.9 billion during FY13/14.

5/ Overall deficit excluding net acquisition of financial assets.

6/ GDP actuals for FY18 /19 has been revised to reach LE 5322.3 billion instead of LE 5250.9 billion. Meanwhile GDP for FY19/20 was revised to reach LE 5820 billion instead of LE5960.9 billion according to the data published by the Ministry of Planning and Economic Development.

7/ The increase in grants is mainly due to Capital Grants received from United Arab Emirates (UAE) to finance investments during FY16/17.

8/ The increase in miscellaneous revenues is mainly due to the increase in both current, and capital miscellaneous revenues, driven mainly by the receipts from acquisitions in public authorities, increased receipts from the sale of non-productive assets, such as lands, and to finance investments, and some receipts related to revenues from the previous year.

9/ The increase in subsidies, grants and social benefits is mainly driven by the rise in social assistance benefits from increased treasury contributions in Pension funds in line with the implementation of the new pension law number 148 for the year 2019.

10/ The increase in purchase of non-financial assets spending is in the form of increased allocations to fixed assets, mainly construction, machinery and equipment, and non-residential building and dwellings, in light of the government strategy to increase investments for infrastructure, also includes payments to contractors, and allocations to the non-productive assets, mainly to purchase lands.

-- Data are preliminary & under preparation until being finalized.

1/ Data reflects budget figures in light of Decree Number 85 for the year 2020.

2/ The decline in Taxes on Corporate Profits from CBE is mainly due to the accommodative monetary policy adopted by the CBE to curb inflation since FY16/17, where the increase in interest rates has imposed burdens on CBE profits, as it is expected that no tax receipts would be collected from CBE till end of FY19/20.

Source: Ministry of Finance

-- Data are preliminary & under preparation until being finalized.

1/ Data reflects budget figures in light of Decree Number 85 for the year 2020.

2/ Includes grants from Public Entities .

3/ Revenues from special accounts and funds belonging to budget sector entities like public universities, medical centers and researsh instituites. Such revenues are met by equivalent amounts on the expenditures side.

4/ Includes additional 10 percent of the monthly receipts of the Special Accounts and Funds, in addition to 25 percent of the outstanding balances of those funds were transfered to the Ministry of Finance applied only during 2013/2014 according to law N umber 19 for the year 2013.

5/ Reflects allocations to finance investment projects in previous year, which were not used during that year. Such allocations are thus carried forward to the current fiscal year and recorded as self-financing sources of investment under miscellaneous revenues.

6/ The increase in "Other capital revenue to finance investments" represents expected increases in self finances for the social housing program. This increase has similarly corresponding increases on the expenditure side.

7/ The decline in dividnes from EGPC is mainly in light of the decline in international petroleum prices.

8/ The decline in dividends receipts from Suez canal is partially due to the slowdown in international trade, and China slowed economic growth. In addition, the decline in international oil prices have affected the number of vessels passing through Suez Canal.

9/ The increase in receipts from Miscellaneous revenues is mainly due to the acquirance of 25 percent of the delayed profits with a total amount of LE 1.5 billion, and the increase in resettlements revenues from Lands by LE 4 billion, in addition to the repayment of other tax dues by LE 3.5 billion during the year of study.

10/ The decline in Dividends collected from EGPC is due to the increase in cost budens on EGPC due to the effect of depreciated Egyptian Pound Exchange rate against US Dollars.

11/ The decline in Dividends collected from CBE is mainly due to the accomodative monetary policy adopted by the CBE to curb inflation since FY16/17, where the increase in interest rates has imposed burdens on CBE profits.

12/ The increase in O ther Property Income is due to the additional LE 6.6 billion from the sale of 4G liscence.

13/ The increase in grants is mainly due to Capital Grants received from United Arab Emirates (UAE) to finance investments during FY16/17.

14/ Reflects the indirect cost effect of economic refo program, as it is expected that no dividends would be collected from CBE till end of FY19/20.

15/ The increase in current miscellaneous revenues represents mainly increased receipts related to previous year revenues, and other current revenues.

16/ The increase in capital revenues represent increased receipts from miscellaneous capital revenues realted to acquisitions in public authorities. In addition to increased proceeds from sale of non- productive assets (Lands).

17/ The increase in grants reflects mainly increased grants from other general government units to finance investments.

18/ Reflects increase in allocations to finance investment projects in previous year, which were not used during that year, recorded as self-financing under miscellaneous revenues.

Source: Ministry of Finance.

-- Data are preliminary &amp; under preparation until being finalized.

1/ Data reflects budget figures in light of Decree N umber 85 for the year 2020.

2/ Reflects Treasury contributions towards Pension Funds.

3/ Includes expenditures on defense.

4/ The increase in "Direct investment (including customs fees)" represents expected increases in self finances for the social housing program. This increase has similarly corresponding increases on the revenues side.

5/ The decline in subsidies from EGPC is mainly in light of the decline in international petroleum prices.

6/ The increase in spending on Direct investment (including customs fees) is mainly due to the increase in infrastructure spending , more specifically spending on roads, transportation, buildings, hospitals and schools. To that extent, total spending on construction amounted to LE 29.2 billion during FY15/16, increasing by 44 percent compared to the previous year, and spending on Non-residential buildings amounted to LE 10 billion, increasing by 17.7 percent compared to the previous year.

7/ The increase in Service expenditures for non employees reflects the increase in spending on health treatments financed by state budget.

8/ The notable increase in subsidies to EGPC is mainly due to the Exchange rate depreciation effects which has increased EGPC cost burdens substituted through increasing the allocated subsidies to EGPC.

9/ The increase in social assistance benefits is in light of the increase in treasury contributions in Pension funds with the implementation of the new pension law number 148 for the year 2019.

10/ The increase in fixed assets direct investments represents mainly increased spendings in construction, machinery and equipments, and nonresidential building and dwellings in light of the government strategy to increase investments allocated to improve infrastructure, and it includes payments to contractors.

11/ The increase in spendings of non-productive assets represents increased investments spending to purchase lands.

12/ The increase in previous year interest includes interest payments on T-bills on the treasury contribution in pension funds. This accounting methodology has been modified for the current fiscal year to be replaced by the treasury providing direct payments to the Pension funds with the implementation of the new pension law number 148 for the year 2019.

13/ Please Note that "of which" refers that not all subcomponents are presented in the table, thereby the grand total might not add up, for instance contingency reserves is not presented in this chapter.
